

APPROVED

Galax City Electoral Board
May 2, 2018 8:30 a.m.

Darla Mays, Melba Knox and Sylvia Richardson met in the Galax City Registrar's office with Stacey Reavis to receive the supplies from Stacey for the Canvass.

Sylvia drove and we arrived at Independence with supplies at 9:04 a.m.

After checking the polls, all polls were completed in good form after a few dates and signatures were added by poll workers after calling.

We returned to Galax at 11:35 a.m. to complete the abstract which was certified with signatures and sent to the Department of Elections and Keith Barker, City Manager. Melba fixed the seals to the documents.

A discussion was made regarding Do's and Don'ts of Campaigners. Some interference was detected by a campaigner, who created a problem and who had no letter of representation to be at the polling area after the polls closed. The Board felt in the future that the candidates need to be stressed to read these instructions.

Trivia games created by Stacey helped pass the time and made for a feeling of teamwork to build cohesiveness.

The Special Needs Signs were good for instructions.

We still need to reinforce the need to read instructions especially dates and signatures.

Next meeting will be May 15, at 4:00 p.m. to discuss June Primary Elections.

Meeting adjourned at 11:55 a.m.

Respectfully submitted,

Melba M. Knox, Secretary
