Galax City Electoral Board  
March 12, 2020, 2:00 p.m.

Sylvia Richardson, Melba Knox, and Stacey Reavis, Registrar, met in Galax City 1<sup>st</sup> Floor Committee room with Keith Barker, Galax City Manager, and Judy Taylor-Gallimore concerning budget for FY21.

The Board discussed reasons for the change in Electoral Budget and especially presented reasons for providing an Early Voting Poll Area in the Registrar's office with accommodations to remove the wall from the adjoining office. This would provide more room for poll workers, equipment, and smooth flow of voter traffic. The Board has researched this choice and feels this is the best area for Early Voting considering all factors that have been discussed and listed in the report by Registrar Stacey.

Respectfully submitted,

Melba Knox, Secretary
